## Technical data

|                                |                   |            |
|--------------------------------|-------------------|------------|
| Article                        | 101.748           |            |
| Voltage                        | 230 V             |            |
| Frequency                      | 50/60 Hz          |            |
| Power                          | 900 W             |            |
| Temperature                    | 20-600 °C         | 68-1112 °F |
| Temperature setting stepless   | Yes               |            |
| Stepless air volume adjustment | No                |            |
| Static pressure                | 5000 Pa           | 0.72 psi   |
| Eco-Mode                       | No                |            |
| Display                        | No                |            |
| e-Drive                        | No                |            |
| Outdoor use                    | Yes               |            |
| Nozzle connection ø            | 21.3 mm / 0.85 in |            |
| Length                         | 180 mm            | 7.08 in    |
| Device diameter                | 40 mm             | 1.57 in    |
| Handle diameter                | 32 mm             | 1.25 in    |
| Power cable length             | 3 m               | 9.84 ft    |
| Air hose length                | 3 m               | 9.84 ft    |
| Plug                           | EU, 2 poles, 16A  |            |
| Noise emission level           | 67 dB (A)         |            |
| Approvals                      | CE                |            |
| Protection class               | II                |            |
| Country of origin              | Switzerland       |            |
