| Item name                  | Air hose ø 90 mm, temperature-resistant, insulated, 2 m |          |
| Inner diameter             | 90 mm                                                   | 3.54 in  |
| Outer diameter             | 158 mm                                                  | 6.22 in  |
| Max. air inlet temperature | 350 °C                                                  | 662 °F   |
| Length                     | 2000 mm                                                 | 78.74 in |
| Bending radius             | 400 mm                                                  | 15.74 in |
| Material                   | 2-ply hose for high temperature                         |          |
