

ENTREPRENEURSHIP

We act entrepreneurially in the interests of the Leister Group, know our market opportunities, and create added value for our customers and our company.

ABILITY TO CHANGE

We see change as an opportunity, develop knowledge and skills through personal learning, and apply our competencies in an agile manner.

INTEGRITY

We set an example, and are binding in our actions, communicate respectfully, and cultivate an open culture of error management.

TEAM SPIRIT

We work together constructively and supportively, share our knowledge and take responsibility according to level.

ENGAGEMENT

We identify with our company and are committed to its success with perseverance and enthusiasm.
